

## Monthly Report Codes Department

As you can see from the vouchers I attended my annual training in Syracuse 3/31-4/3. I have found out some interesting info that I will discuss at the next meeting as it will be much easier to explain in person.

Bernie Taylor court appearance; I was unable to attend as I was out of town but in a recent conversation with Attorney Quinn he informed me the Judge gave me permission to post unfit to occupy and Mr. Taylor has moved out. Trial date is set for 5/13/15.

I have issued 3 permits so far this year

01-Watkins Car Port

02-Christian Pole Barn Truax Rd

03-Bennett Brace Rd Addition

Any questions feel free to call me

Thank You
