

**Town of Winfield
Work Session
February 19, 2014**

Present: Supervisor Osborn, Councilmen Howard Marsh, Robert Royce, Michael Peo, Councilwoman Sandra Smith, Ken Roberts, Engineer

Ken Roberts:

Presented plans and bid packet for the project.

Bathroom need to add mirror, toilet paper holder and soap dispenser.

Will add cut sheet with the smoke detector package and the lighted exit sign.

Did add a beam about 10' long in the ceiling and explained the separation wall and joists.

Everything in the old bathroom will be new.

Added a motion sensor switch for the bathroom light/fan.

Explained some of the particulars concerning how the new walls and ceilings will be joined.

6" vinyl trim mold added to floor.

Locksets for the main entry way door and to the garage will be the same.

Town will be responsible for removing all materials so that the contractor may start.

Supervisor Osborn asked if there was a way to make an escape route for the Judge if we were to be able to move the court to this building. Ken thought that it would be doable in the future.

All notes were taken by recorder.
